**Submitted Text:**

I previously provided a tip about 3 weeks ago, maybe 4 weeks ago, under an alias I have for myself, [REDACTED]. All the other details of the previous tip match all the information given in today's tip, except I am giving my real name. A detective from NYPD FBI sex trafficking task force called me a couple of weeks ago from a 212 area code number. I talked to him for about 20 or 30 minutes about my being sex trafficked by my uncle and Jeffrey Epstein in 1984 while I was 13 and pregnant. I told him some other important information about other high profile individuals involved in my sex trafficking and the murder and disposal of my newborn daughter because I gave birth to her while in the middle of this sex trafficking ordeal. I cannot remember the detective's name nor do I have a number
